

CSC 352

Final Report

Postmortem

Describe your experience working on this project. What you hoped to accomplish, what struggles you faced, how you overcame them, and what you learned from the experience.

Time Breakdown

Give an accounting here of how much time you spent working on the project each week.

Week	Total Hours (Rounded)
Week 12	
Week 13	
Week 14	
Week 15	
Total	

Core Requirements

Address how well you met each of the project's core requirements.

Stretch Goals

Address how well you met each of the project's stretch goals.
